Ingredients

- 1 pinch ground aleppo pepper
- 1 ounce ginger
- 1 lime
- 2 ounces pineapple juice
- 1 pinch salt
- 2 ounces tequila

Equipment

- grater

Directions

- Combine the tequila, pineapple juice, and ginger liqueur in a cocktail shaker filled with ice. Shake vigorously and strain into a martini glass.
- Sprinkle the salt and pepper on top. With a hand grater, grate lime zest over the top of the drink. Tap the grater lightly to release the zest and oil into the drink.
- Aleppo pepper adds more savoriness than outright heat. For a spicier cocktail, substitute cayenne, ancho, or chipotle powder for Aleppo pepper.
