### Ingredients

- 2 bay leaves
- 8 pickled cherry peppers seeded drained chopped
- 1 cup wine dry white
- 10 large garlic clove chopped
- 1 cup chicken broth canned
- 0.3 cup olive oil
- 1 pound onion thinly sliced
- 1.5 cups parmesan freshly grated

- 0.3 cup parsley fresh italian chopped
- 4 pounds pork spareribs cut into individual ribs
- 0.8 teaspoon pepper dried red crushed
- 1 pound rigatoni
- 4 large thyme sprigs fresh
- 84 ounce frangelico italian-style canned

## Equipment

- bowl
- pot
- potato masher

## Directions

- Heat oil in heavy large pot over high heat.
- Sprinkle spareribs with salt and pepper. Working in batches, add ribs to pot and brown on all sides, about 6 minutes.
- Transfer ribs to bowl.
- Add onions, garlic, cherry peppers and crushed red pepper to pot. Sauté until onions just begin to brown, about 10 minutes.
- Add tomatoes with their juices. Using back of fork or potato masher, coarsely crush tomatoes. Return spareribs and juices to pot.
- Add broth, wine, thyme and bay leaves and bring to boil. Reduce heat to medium- low. Simmer uncovered until spareribs are very tender and sauce thickens, stirring occasionally, about 2 hours. Season with salt and pepper. (Can be made 2 days ahead. Cool slightly. Refrigerate until cold, then cover and keep chilled.
- Remove chilled fat from top of sauce, if desired. Rewarm before continuing.)
- Cook pasta in large pot of boiling salted water until just tender but still firm to bite.
- Drain and return pasta to same pot.
- Add cheese, parsley and some sauce from spareribs and toss to coat.
- Transfer pasta to large bowl. Top with spareribs and remaining sauce and serve.
