	Cookies can be made, but not filled, 3 days ahead and cooled completely, then kept in an airtight container at room temperature.*Available at Latin markets and many supermarkets.	
	Sandwich cookies with about 1/2 teaspoon dulce de leche. Dust with confectioners sugar.	
	Transfer to a rack and cool 10 minutes.	
	Bake until firm and pale golden around edges, 12 to 15 minutes.	
	Cut out 32 rounds with cutter (reroll scraps if necessary) and transfer to sheet, arranging rounds 1/2 inch apart.	
	Form dough into a disk and roll out into an 11-inch round (1/8 inch thick) on a lightly floured surface with a lightly floured rolling pin.	
	Beat together butter and sugar in a large bowl with an electric mixer until light and fluffy, then beat in egg yolks, Pisco, and vanilla. Stir in flour mixture until combined, adding 1 to 2 tablespoons flour if dough is sticky. (Dough should be soft.)
