### Ingredients

- 2 servings ice cubes
- 1 tablespoon juice of lime freshly squeezed
- 4 pears peeled
- 1 tablespoon sugar
- 4 ounces tequila
- 1.5 ounces triple sec

### Equipment

- bowl

blender

## Directions

- Place the prickly pears in a blender and pulse until liquefied. Strain the juice into a small bowl (you should have about 1 cup of juice).
- Fill a large cocktail shaker with ice, add the prickly pear juice, tequila, triple sec, lime juice, and sugar and shake vigorously.
- Pour into glasses filled with ice, rimmed with salt or sugar, if you like.
- Garnish with lime slices.
- For a fancy party cocktail, combine some chipotle chile powder with your coarse-grained salt before rimming the glasses. The smoky, spicy salt will make a nice complement to the sweet, fruity drink.
