Ingredients

- 1 box duncan hines devil's food cake (or any brand)
- 1 cup chocolate chips
- 2 large eggs
- 1 cup mayonnaise
- 1.3 cups water

Equipment

- oven
- mixing bowl

- hand mixer
- toothpicks
- cake form
- kugelhopf pan

Directions

- Preheat oven to 350. Grease and flour a bundt cake pan or a 9x13x2 inch cake pan. Dump the cake mix into a large mixing bowl.
- Add eggs, water and mayonnaise.
- Mix by hand or with an electric mixer until well mixed. Stir the chocolate chips into the cake batter using a large spoon.
- Pour the cake batter into the cake pan and spread evenly.
- Bake for 35 minutes or until cake is done. Press the center of the cake in, using a finger. If it springs back, the cake is done. If not it needs more baking time. If using a bundt cake pan, allow the cake to cool for 10 minutes and follow the next 3 steps. Put a dinner plate or cake plate on top of the bundt cake pan. with the bottom of the plate facing you. Holding the bundt cake pan onto the plate, turn it over (you may need to use hot pads to do this). You may need to slightly shake the pan while it is on the plate to help loosen the cake from the pan. If using a 9x13x2 inch cake pan, insert a toothpick into the center of the cake. If the toothpick comes out clean, the cake is done. If you are going to ice/frost the cake, allow the cake to completely cool. If you don't want to frost/ice the cake you can dust it with powdered sugar.
