Ingredients

- 2 oz bacon
- 0.3 teaspoon pepper black
- 0.3 cup inner celery leaves
- 1.5 lb celery root with a knife and cut into 1/2-inch pieces peeled
- 1 apples i use 2 granny smith apples
- 0.5 cup half-and-half
- 0.8 lb leeks white green
- 1.8 cups chicken broth reduced-sodium

- 1 tablespoon olive oil
- 1 teaspoon salt
- 3 cups water

Equipment

- bowl
- paper towels
- oven
- knife
- pot
- blender
- ziploc bags
- microwave

Directions

- Halve leeks lengthwise, then coarsely chop. Wash leeks in a bowl of cold water, agitating them, then lift out onto paper towels and pat dry.
- Cook bacon in a 4-quart heavy pot over moderate heat, turning occasionally, until crisp, 6 to 8 minutes.
- Transfer to paper towels.
- Pour off all but 2 teaspoons fat from pot, then add oil and cook leeks over moderate heat, stirring occasionally, until softened, about 6 minutes.
- Add celery root and cook, stirring, 2 minutes.
- Add water and broth and bring to a boil, then reduce heat and simmer, uncovered, until celery root is very tender, 35 to 40 minutes.
- While soup simmers, thinly slice apple lengthwise into 1/8-inch-thick slices with slicer, working around core, then cut slices into 1/8-inch matchsticks with a knife. Gently toss with celery and celery leaves.
- Purée soup in batches in a blender until smooth (use caution when blending hot liquids), transferring to a bowl. Return soup to cleaned pot. (If soup is too thick, thin with 1/2 to 3/4 cup water.) Stir in salt, pepper, and half-and-half and cook over moderately low heat, stirring

occasionally, until warm. Season with salt, then divide among 4 bowls and top with apple-celery mixture and coarsely crumbled bacon.

Soup, without half-and-half, can be made 1 day ahead and cooled completely, uncovered, then chilled, covered. Reheat over moderately low heat, then add half-and-half and cook until heated through. Cool bacon completely, then chill, wrapped in paper towels in a sealed plastic bag. Re crisp in a preheated 300°F oven 6 to 8 minutes, or wrap in a paper towel and re crisp in a microwave 30 seconds to 1 minute. Prepare apple-celery mixture while reheating soup and recrisping bacon.
