SIDE DISH

Ingredients

- 1 tablespoon canola oil
- 0.3 cup cilantro leaves
- 6 ounces edamame in their pods frozen (soybeans)
- 1 tablespoon juice of lime fresh
- 1 tablespoon torn mint leaves
- 4 large tender celery ribs coarsely chopped
- 2 scallions white green thinly sliced
- 4 servings sea salt

Equipment

- food processor
- bowl
- sauce pan
- knife
- whisk

Directions

- In a food processor or with a sharp knife, slice the celery as thinly as possible.
- Put the celery in a bowl of ice water and crisp for 15 minutes.
- Drain and pat dry. Wipe out the bowl and return the celery to it.
- In a medium saucepan of boiling water, cook the soybeans for 5 minutes.
- Drain and refresh under cold water. Shell the soybeans and pat dry.
- Add the soybeans, scallions, cilantro, mint and celery leaves to the celery and toss well.
- In a bowl, whisk the lime juice with the oil.
- Pour the dressing over the vegetables, season with salt, toss and serve.
- Make Ahead: The recipe can be prepared through Step 1 and refrigerated for 4 hours.
- Wine Recommendation: A refreshing sparkling wine will balance the salty-sweetness of the celery and soybeans and point up the crisp texture of the celery. Look for a good nonvintage brut from France, such as the Deutz Brut Champagne Classic or the Laurent-Perrier Brut L.P.
