Ingredients

- 15.5 oz black beans rinsed drained canned
- 1 tablespoon canola oil
- 1.5 cups corn kernels frozen thawed
- 8 8-inch flour tortillas
- 2 cloves garlic minced
- 1 jalapeño seeded finely chopped
- 1 small onion chopped
- 6 ounces pepper jack shredded

- 8 servings salt and pepper

Equipment

- bowl
- frying pan
- baking sheet
- oven
- potato masher

Directions

- In a bowl, coarsely mash beans with a potato masher. Warm a large skillet over medium-high heat; add corn and cook for 3 to 4 minutes, stirring occasionally, until corn begins to brown.
- Add corn to bowl with beans.
- In same skillet, warm oil.
- Add onion and jalapeo and saut for 2 minutes.
- Add garlic and saut 1 minute longer. Stir mixture into bowl with beans and corn.
- Let mixture cool to room temperature, about 10 minutes.
- When cool, stir in cheese and season with salt and pepper. Preheat oven to 200F.
- Spread a tortilla out on a work surface and spread a 1/2-cup portion of bean mixture over half. Fold tortilla in half. Repeat with remaining tortillas and bean mixture. Warm a large skillet over medium-high heat. Cook as many tortillas as fit in skillet, 3 minutes, then flip quesadillas and cook until golden brown and crispy and cheese is melting, 2 to 3 minutes longer.
- Place quesadillas on a baking sheet and keep warm in oven while you cook remaining quesadillas.
- Cut into wedges and serve.
