Ingredients

- ☐ 0.3 cup almonds sliced
- ☐ 0.8 cup cup heavy whipping cream
- ☐ 1 pinch salt
- ☐ 1 pound bittersweet chocolate chopped
- ☐ 0.5 teaspoon vanilla extract

Equipment

- ☐ bowl
- ☐ frying pan
- ☐ knife

- ☐ whisk
- ☐ baking pan
- ☐ cutting board

Directions

- ☐ Lightly oil an 8-inch square baking pan and line bottom with waxed paper.
- ☐ Melt 12 oz. chocolate with cream in a heatproof bowl set over a medium pan of 1 1/2 inches of simmering water, whisking until smooth (do not let bottom of bowl touch water).
- ☐ Remove pan from heat and whisk in vanilla and salt until smooth. Set aside.
- ☐ Melt remaining chocolate in another bowl set over same pan of simmering water, whisking until smooth.
- ☐ Pour plain chocolate into prepared pan and spread to coat bottom evenly. Refrigerate for about 10 minutes to set chocolate.
- ☐ Spread chocolate and cream mixture over set chocolate.
- ☐ Sprinkle evenly with almonds and gently press into chocolate.
- ☐ Let cool to room temperature, and then refrigerate, covered, until very firm, 3 to 4 hours, or overnight.
- ☐ Run a thin, sharp knife around edges of pan. Turn mixture out onto a cutting board and peel away waxed paper. Turn fudge right-side up and, with a sharp knife, cut into 64 (1-inch) squares.
- ☐ Let stand at room temperature for a few minutes before serving.
