DESSERT

Ingredients

- 12 egg whites (or)
- 1 tablespoon honey
- 1 teaspoon juice of lemon fresh
- 2 tablespoons maple syrup
- 0.3 cup peach nectar
- 1 cup yogurt plain
- 4 cups raspberries fresh

- 0.3 teaspoon salt
- 4 cups strawberries fresh
- 1.5 cups sugar
- 1 cup flour all-purpose
- 0.3 cup cocoa powder unsweetened
- 1 teaspoon vanilla extract

Equipment

- bowl
- frying pan
- oven
- wire rack
- blender
- hand mixer
- cake form
- spatula

Directions

- Transfer the oven rack to the lowest level. Preheat oven to 325°F. Sift 1 cup sugar with flour, cocoa, and salt; set aside. Using an electric mixer set at medium-high speed, whip egg whites, lemon juice, and vanilla in a medium-sized bowl until peaks form. Set mixer to high speed and whip in remaining 1/2 cup sugar until semistiff peaks form (do not overbeat). With a plastic spatula, slowly fold in the remaining dry ingredients, 1/4 cup at a time, until flour mix disappears. Scoop batter into a 10" ungreased tube pan and spread evenly.
- Bake until cake springs back when touched, 45 to 55 minutes.
- Remove from oven, invert cake pan, and place upside down on a cooling rack. Thoroughly wash and dry berries.
- Combine berries, nectar, and honey in a small bowl.
- Mix slowly, being careful not to crush the berries. In a separate bowl, combine yogurt and syrup until blended.

- Remove cake gently from pan and cut into 8 slices.
- Serve each slice with fruit and a dollop of maple yogurt.
- Self
