DESSERT

Ingredients

- 0.8 cup almonds with skins (4 oz), toasted, cooled, and chopped
- 0.5 teaspoon baking soda
- 12 oz bittersweet chocolate unsweetened cut into 1/2-inch chunks (2 cups) (not)
- 1 cup brown sugar packed
- 1.5 cups coconut shredded unsweetened finely
- 2 large eggs
- 1 cup flour all-purpose
- 6 tablespoons granulated sugar
- 2.3 cups oats

- 0.5 teaspoon salt
- 1 cup butter unsalted softened
- 1.5 teaspoons vanilla

Equipment

- bowl
- baking sheet
- oven
- baking pan
- hand mixer
- spatula

Directions

- Preheat oven to 375°F.
- Beat together butter and sugars in a bowl with an electric mixer at high speed until fluffy.
- Add eggs and beat until just blended, then beat in vanilla, baking soda, and salt.
- Add flour and mix at low speed until just blended. Stir in oats, coconut, chocolate, and almonds.
- Arrange 1/4-cup mounds of cookie dough about 3 inches apart on 2 lightly buttered large baking sheets (about 8 cookies per sheet), then gently pat down each mound to about 1/2 inch thick.
- Bake in upper and lower thirds of oven, switching position and rotating pans halfway through baking, until golden, 15 to 18 minutes total.
- Cool cookies on sheets 1 minute, then transfer with a spatula to racks to cool completely. Make more cookies in same manner.
- You can substitute packaged chocolate chunks instead of cutting up chocolate yourself. Toast nuts in a shallow baking pan in a 350°F oven until golden, 5 to 10 minutes.
