SIDE DISH

Ingredients

- ☐ 4 large eggs
- ☐ 10 ounce raspberries unsweetened frozen thawed
- ☐ 12 ounce bittersweet chocolate chopped
- ☐ 0.3 cup sugar
- ☐ 1.5 sticks butter unsalted
- ☐ 10 servings whipped cream unsweetened

Equipment

- ☐ food processor

- ☐ bowl
- ☐ frying pan
- ☐ sauce pan
- ☐ oven
- ☐ knife
- ☐ whisk
- ☐ sieve
- ☐ blender
- ☐ hand mixer
- ☐ cake form
- ☐ wax paper

Directions

- ☐ Preheat oven to 350°F. Butter a 9- by 2-inch round cake pan and line bottom with a round of wax paper. Butter paper and dust pan with flour, knocking out excess.
- ☐ Melt chocolate and butter in a metal bowl set over a saucepan of simmering water, whisking until smooth.
- ☐ Cool slightly.
- ☐ Beat together eggs and sugar with an electric mixer until pale yellow, thick, and a ribbon forms when beaters are lifted, about 4 minutes with a standing mixer or 8 minutes with a handheld. Fold one fourth of egg mixture into chocolate mixture to lighten, then gently fold in remaining egg mixture.
- ☐ Pour batter into cake pan and rap pan sharply on counter to eliminate air bubbles. Put cake pan in a hot water bath and place in middle of oven.
- ☐ Bake 45 minutes (top will be set, but a tester will not come out clean).
- ☐ Remove cake from water bath and cool completely in pan on a rack. Run a thin knife around edge of cake and chill, covered, at least 4 hours and up to 1
- ☐ Purée raspberries with sugar in a food processor or blender, then force through a fine sieve into a bowl. Chill until ready to serve.
- ☐ Put cake pan directly on a burner at very low heat. Move pan around on burner to warm bottom, about 30 seconds, then shake pan to loosen cake. Invert cake onto a rack.

- ☐ Remove wax paper and invert cake onto a serving plate.
- ☐ Bring cake to room temperature.
- ☐ Serve with sauce and whipped cream.
- ☐ •Don't despair if the cake stubbornly refuses to come out of the pan. You may need to help it along by prying it out gently with the tip of a paring knife. •This cake is better if made a day ahead. Both cake and sauce keep 2 days, covered and chilled.
