Ingredients

- ☐ 6 ounces bittersweet chocolate finely chopped
- ☐ 1 cup powdered sugar for coating pan and marshmallows
- ☐ 1 cup plus light
- ☐ 3 tablespoons crème de cassis liqueur
- ☐ 0.8 ounce gelatin powder unflavored
- ☐ 1.5 cups granulated sugar
- ☐ 0.3 teaspoon drop natural food coloring green organic (25 drops) (preferably)

- ☐ 1 teaspoon peppermint extract
- ☐ 0.3 teaspoon salt
- ☐ 64 servings vegetable oil for brushing pan
- ☐ 1.5 tablespoons shortening
- ☐ 1 small frangelico with the whisk attachment; candy thermometer; wire rack set over a baking sheet (9-inch)
- ☐ 1 frangelico with the whisk attachment; candy thermometer; wire rack set over a baking sheet (9-inch)

Equipment

- ☐ bowl
- ☐ frying pan
- ☐ baking sheet
- ☐ sauce pan
- ☐ knife
- ☐ whisk
- ☐ wire rack
- ☐ sieve
- ☐ blender
- ☐ baking pan
- ☐ kitchen thermometer
- ☐ stand mixer
- ☐ wax paper
- ☐ spatula
- ☐ cutting board
- ☐ pastry brush
- ☐ candy thermometer
- ☐ chefs knife

Directions

- ☐ Brush the bottom and sides of a 9-inch square baking pan with vegetable oil. Using a small, fine-mesh sieve, dust the pan generously with confectioners' sugar, knocking out any excess.
- ☐ Put 1/3 cup water and crème de menthe in the bowl of a stand mixer fitted with the whisk attachment.
- ☐ Sprinkle the gelatin into the bowl and stir briefly to make sure all the gelatin is in contact with water and crème de menthe.
- ☐ Let soften while you make the sugar syrup.
- ☐ In a heavy 3- to 4-quart saucepan, combine the granulated sugar, corn syrup, salt, and 1/2 cup water.
- ☐ Place over moderate heat and bring to a boil, stirring until the sugar is dissolved. Put a candy thermometer into the boiling sugar syrup and continue boiling (the mixture may foam up, so turn the heat down slightly if necessary), without stirring, until the thermometer registers 240°F (soft-ball stage).
- ☐ Remove the saucepan from the heat and let stand briefly until the bubbles dissipate slightly.
- ☐ With the mixer on low speed, pour the hot sugar syrup into the softened gelatin in a thin stream down the side of the bowl. Gradually increase the mixer speed to high and beat until the marshmallow is very thick and forms a thick ribbon when the whisk is lifted, about 5 minutes. Beat in the peppermint extract and the green food coloring, adding more for a darker green color.
- ☐ Scrape the marshmallow into the prepared pan (it will be very sticky) and use wet fingertips to spread it evenly and smooth the top.
- ☐ Let stand, uncovered at room temperature, until the surface is no longer sticky and you can gently pull the marshmallow away from the sides of the pan with your fingertips, at least 4 hours or overnight.
- ☐ Dust a cutting board with confectioners' sugar. Use a rubber spatula to pull the sides of the marshmallow from the edge of the pan (use the spatula to loosen the marshmallow from the bottom of the pan if necessary) and invert onto the cutting board. Dust the top with confectioners' sugar.
- ☐ Brush a long thin knife or a chef's knife with vegetable oil and dust with confectioners' sugar to prevent sticking; continue dusting the knife as necessary.
- ☐ Cut lengthwise into 8 strips, then crosswise into eighths, to form a total of 64 squares. (For rectangular marshmallows, cut lengthwise into 8 strips, then crosswise into fourths, to form a total of 32 rectangles.) Coat marshmallows, one at a time, in confectioners' sugar, using a pastry brush to brush off any excess.

- In a dry metal bowl set over a pan of barely simmering water, melt the chocolate and shortening, stirring until smooth. Working with one marshmallow at a time, brush the marshmallow again to remove any excess confectioners' sugar then dip one smooth side about 1/8 inch into the chocolate to coat it, scraping any excess chocolate on the edge of the bowl.
- Transfer, chocolate side up, to a wire rack set over a baking sheet and let stand until the chocolate is set. DO AHEAD: Marshmallows—without chocolate—can be stored, layered between sheets of wax paper or parchment in an airtight container in a dry place at cool room temperature, for 1 month. Chocolate-dipped marshmallows can be stored in the same manner, but will only keep for about 2 days.
