CALORIES

532 kcal

Ingredients

- 10.5 oz bittersweet chocolate unsweetened finely chopped (not)
- 0.5 cup nutella
- 1.5 cups graham cracker crumbs
- 4.8 oz hazelnuts coarsely chopped
- 1 cup cup heavy whipping cream
- 0.3 teaspoon salt
- 6 tablespoons butter unsalted melted

Equipment

- bowl

- frying pan
- sauce pan
- oven
- whisk
- baking pan
- springform pan

Directions

- Put oven racks in upper and lower thirds of oven and preheat oven to 350°F. Invert bottom of springform pan (so that turned-up edge is underneath for easier removal of tart) and close side of pan onto bottom.
- Stir together crumbs, butter, and 1/8 teaspoon salt in a bowl, then press onto bottom of springform pan.
- Bake crust in lower third of oven 7 minutes, then cool crust in springform pan on a rack.
- While crust bakes, toast hazelnuts in a shallow baking pan in upper third of oven, stirring once, until golden, about 7 minutes.
- Transfer to a plate and cool to room temperature.
- Bring cream to a boil in a 1- to 2-quart saucepan, then pour over chocolate in a heatproof bowl, whisking until chocolate is melted and smooth.
- Whisk in chocolate-hazelnut spread until combined, then whisk in nuts and remaining 1/8 teaspoon salt.
- Pour filling onto cooled crust and put in freezer until just set, about 25 minutes. (Tart should not be frozen.)
- Remove side of pan before serving tart.
- Tart can be made 4 days ahead and chilled in pan, covered.
