### Ingredients

- ☐ 2 tablespoons apple cider vinegar
- ☐ 1.5 teaspoons baking soda
- ☐ 3 cups almond flour
- ☐ 4 tablespoons butter frozen cold cut into small pieces (preferably )
- ☐ 2 large eggs
- ☐ 1 small fuji apple cored peeled cut into thin tiles
- ☐ 1 teaspoon ground cinnamon
- ☐ 2 tablespoons honey

☐ 0.5 teaspoon sea salt fine

## Equipment

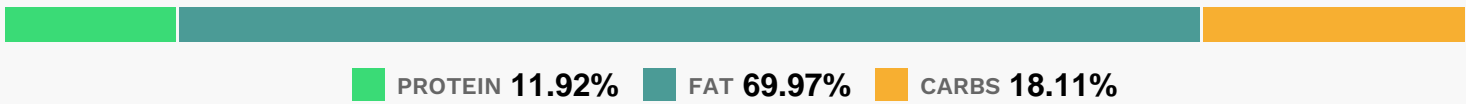

- ☐ bowl
- ☐ baking sheet
- ☐ baking paper
- ☐ oven
- ☐ knife
- ☐ whisk
- ☐ wire rack
- ☐ toothpicks
- ☐ spatula
- ☐ pastry cutter

## Directions

- ☐ Preheat the oven to 350°F with the rack in the middle position, and line a rimmed baking sheet with parchment paper.
- ☐ In a large bowl, combine the almond flour, baking soda, and fine sea salt. Use your hands or a pastry cutter to work the pieces of cold butter into the dry ingredients until a crumbly mixture is produced. Then, mix the cinnamon into the almond flour mixture.
- ☐ In a separate bowl, thoroughly whisk together the eggs, apple cider vinegar, and honey.
- ☐ Make a well in the middle of the dry ingredients, and pour the egg mixture into it.
- ☐ Gently mix with a spatula until a wet, chunky dough forms, and then throw in the apple.
- ☐ Combine the ingredients with your hands, and form a ball of dough.
- ☐ On a sheet of parchment paper or a nonstick surface, gently flatten the ball with your hand. The round of dough should be about 3/4 inch thick. Using a pastry cutter or a sharp knife, cut the dough into 6 equal-sized wedges, and arrange them on the parchment-lined baking sheet.
- ☐ Bake for 20 to 25 minutes, rotating the tray halfway through. The scones are ready when they're golden brown, and an inserted toothpick comes out clean.

- ☐ Transfer the scones onto a wire rack to cool slightly before serving.
- ☐ This isn't just another subpar substitute for the real thing. It's BETTER than scones made with wheat flour!
- ☐ BONUS RECIPE!
- ☐ In the mood for Dark Chocolate Cherry Scones instead? Follow the same recipe, but leave out the cinnamon and apple.
- ☐ Add 1 teaspoon of vanilla extract in step
- ☐ Then, in step 5, add 3 ounces of super dark chocolate, cut into bite-size chunks, and 1/4 cup of dried cherries.
