Ingredients

- ☐ 4 servings coarse salt and pepper black
- ☐ 1 garlic clove with a little coarse salt minced peeled
- ☐ 1 juice of lemon
- ☐ 1 large handful mint leaves shredded
- ☐ 2 tablespoons olive oil fruity
- ☐ 2.3 pounds peas in the pod
- ☐ 1 bunch scallions trimmed finely sliced
- ☐ 0.5 pound sheep's-milk feta drained

☐ 0.5 pound yogurt greek-style

Equipment

- ☐ bowl
- ☐ potato masher

Directions

- ☐ If using fresh peas, shell them and cook briefly in boiling water until al dente, then drain well and place in a large bowl.
- ☐ Sprinkle with 2 tablespoons olive oil and crush them coarsely with a potato masher.
- ☐ If you are using frozen peas, blanch them briefly, drain exceptionally well, and crush before adding the oil, pouring off any more excess water at this stage; add the oil bit by bit and less liberally.
- ☐ Mash the feta and yogurt together in a shallow bowl. While the peas are still hot, add the feta and toss to combine. This is all about texture, not smoothness, as for a dip.
- ☐ Add the minced garlic.
- ☐ Now add the scallions and 2 tablespoons shredded mint. Stir in the juice of half a lemon to start with. Season with pepper and a little salt, if you think it is needed; feta is pretty salty. Taste and adjust the seasoning, adding more lemon juice, mint, or olive oil if you like.
- ☐ Serve in a shallow dish with a mound of warm, grilled pita bread.
