Ingredients

- 2 handfuls dandelion greens
- 2 handfuls basil fresh
- 2 handfuls basil fresh
- 1 handful pkt spinach
- 5 the petals from dandelion flowers
- 1 large clove garlic
- 0.5 tsp sea salt
- 1 handful pinenuts

- 1 handful sunflower seeds
- 4 tbsp olive oil extra virgin
- 4 juice of lemon
- 1 tbsp nutritional yeast

Equipment

- food processor
- mortar and pestle

Directions

- Wash the dandelion well in a solution of water and raw cider vinegar, using a couple of tablespoons of vinegar to about a litre of water. Wash and spin dry all the greens. Pop all the ingredients into a pestle and mortar or food processor and pound/blitz till nearly smooth - I like to leave a little texture to my pesto but play around with it. And that's it! Pretty simple and very scrummy.
