Ingredients

- 1 lb ground beef 80% lean (at least)
- 1 clove garlic powder
- 1 small onion
- 2 slices bread with crust
- 0.3 cup milk
- 2 teaspoons worcestershire sauce
- 1 teaspoon sage dried fresh chopped
- 0.3 teaspoon salt
- 0.3 teaspoon ground mustard

- 0.1 teaspoon pepper
- 1 large eggs
- 0.3 cup barbecue sauce

Equipment

- bowl
- frying pan
- oven
- baking pan
- kitchen thermometer

Directions

- Heat the oven to 350°F. In a large bowl, break up the beef into small pieces, using a fork or spoon.
- Peel and finely chop the garlic. Peel the onion, and chop enough of the onion into small pieces to measure 3 tablespoons. Wrap remaining piece of onion, and refrigerate for another use.
- Add the garlic and onion to the beef.
- Tear the bread into small pieces and add to beef mixture.
- Add the milk, Worcestershire sauce, sage, salt, mustard, pepper and egg to the beef mixture.
- Mix with a fork, large spoon or your hands until the ingredients are well mixed.
- Place the beef mixture in an ungreased baking pan. Shape the mixture into an 8x4-inch loaf in the pan, then spread the ketchup over the top.
- Bake uncovered 50 to 60 minutes until meat and juices are no longer pink or until a meat thermometer inserted in the center of the loaf reads 160°F and center of loaf is no longer pink*.
- Let the loaf stand 5 minutes so it will be easier to remove from the pan.
- Remove loaf from pan and cut into slices.
