DINNER

Ingredients

- 1 tablespoon ground pepper
- 1 tablespoon cilantro leaves minced
- 1 juice of lime
- 1 tablespoon kosher salt
- 1 tablespoon cooking oil neutral
- 1 tablespoon sugar raw
- 4 beef rib steak

0.5 cup butter unsalted at room temperature

Equipment

plastic wrap

grill

grill pan

Directions

- Make the butter by stirring in the lime zest, lime juice, and cilantro. Once well-incorporated, roll the butter up in a small piece of plastic wrap to make a log, then refrigerate or freeze to harden.
- Combine the cayenne, salt, and sugar to make a rub. Rub the steaks with the oil, then the spice mixture. Prepare a gas or charcoal grill (or a grill pan) and grill over medium-hot until desired temperature. Avoid high heat, which can burn the sugar and turn it bitter.
- Allow the steaks to rest for at least 5 minutes, then pull out the butter and slice into disks.
- Place them on top of the steaks to melt and serve.
