MAIN DISH

### Ingredients

- 0.5 cup butter
- 1 pound farfalle pasta
- 2 tablespoons parsley fresh minced
- 1 sprig rosemary leaves fresh minced
- 1 clove garlic minced
- 0.3 cup parmesan grated
- 4 servings salt and pepper to taste
- 2 summer squash cut into large matchsticks (or zucchini)

## Equipment

- frying pan
- pot

## Directions

- Bring a large pot of salty water to boil and cook the pasta until al dente. Reserve 1/2 cup of pasta cooking water before draining.
- Meanwhile, in a large skillet, melt the butter over medium heat until the foam subsides.
- Add the summer squash and cook until crisp-tender, then add the garlic, rosemary, and a pinch of salt and pepper. Increase the heat and cook until the flavors come together, but before the squash is too soft.
- Add the drained pasta to the skillet (or add the squash mixture to the drained pasta if it won't fit) and toss well.
- Add some pasta cooking water if necessary to create a glossy sauce over low heat.
- Add the parsley and most of the Parmesan and season to taste with salt and pepper.
- Serve immediately.
