Ingredients

- 1 tablespoon chili powder
- 1 teaspoon ground cumin
- 0.3 cup nutritional yeast
- 0.5 teaspoon salt to taste
- 0.8 cup popcorn kernels
- 2 tablespoons vegetable oil

Equipment

- bowl

- frying pan
- sauce pan
- pot

Directions

- Heat oil in a large saucepan or soup pot over medium-high heat.
- Add popcorn, and place the lid on the pan. Shake to coat kernels with oil. When the corn starts to pop, shake the pan constantly until the popping stops.
- Remove from heat, and pour popped corn into a large bowl.
- Drizzle the melted butter over the corn if using, and sprinkle with yeast, chili powder, cumin and salt. I like to give it a little stir before serving.
