DESSERT

Ingredients

- 2 cups flour
- 2 teaspoons cinnamon with other spices such as allspice and nutmeg, go easy on the cloves though)
- 2 teaspoons baking soda
- 1 teaspoon salt
- 0.3 teaspoon double-acting baking powder
- 3 eggs
- 2 cups granulated sugar white
- 1 cup vegetable oil

- 1 teaspoon vanilla extract
- 1 teaspoon lemon zest grated (optional, my addition)
- 2 cups un-peeled zucchini grated (from 3-4 regular sized zucchini) (place zucchini in a sieve and press out some of the excess moisture before measuring)
- 1 cup walnuts black chopped (my grandmother recommends walnuts)
- 0.5 cup golden raisins
- 3 ounces cream cheese softened room temperature (Philadelphia cream cheese recommended)
- 0.3 cup butter room temperature
- 1.5 cups powdered sugar

Equipment

- bowl
- frying pan
- oven
- whisk
- blender
- baking pan
- aluminum foil

Directions

- Preheat oven to 350°F. Butter a 9x12 or 9x13 baking pan (I used a pyrex pan).
- In a medium bowl, whisk together the flour, cinnamon, baking soda, salt, and baking powder. Set aside.
- In a mixer, beat the 3 eggs on high speed until frothy. Lower the speed and beat in the sugar, vegetable oil, vanilla, and lemon zest (if using). Stir in the flour mixture, a third at a time. Stir in the zucchini and chopped nuts and/or raisins.
- Pour mixture into a 9x12 or 9x13 baking pan.
- Bake at 350°F for 40 to 45 minutes. (My grandmother's notes say you can also bake in an angel food pan for 1 hour.)

- Remove from oven and let cool completely before frosting. (While the cake is cooling, let the frosting's cream cheese and butter sit at room temperature to soften.)
- To make the frosting, beat together the cream cheese and butter.
- Add the powdered sugar and beat until smooth.
- Frost the cake and serve. Store covered with aluminum foil.
