### Ingredients

- 4 ahi tuna steak ( 2 pounds in all)
- 0.5 teaspoon anchovy paste
- 4 tablespoons butter at room temperature
- 1 tablespoon cooking oil
- 1 tablespoon parsley fresh chopped
- 4 servings pepper black
- 1 teaspoon juice of lemon
- 4 servings salt

## Equipment

- bowl
- grill
- broiler

## Directions

- Light the grill or heat the broiler. In a small bowl, combine the butter, anchovy paste, lemon juice, parsley, and a pinch each of salt and pepper.
- Coat the tuna with the oil.
- Sprinkle with 1/2 teaspoon salt and 1/4 teaspoon pepper. Cook the tuna for 4 minutes. Turn and cook until done to your taste, 3 to 4 minutes longer for medium rare. Top the hot fish with the flavored butter.
- Fish Alternatives: The lemon anchovy butter would also be very good with grilled halibut, swordfish, or salmon steaks.
- Variation: Grilled Tuna with Sun-Dried-Tomato Basil Butter
- Mix 1 tablespoon chopped fresh basil, 3 chopped oil-packed or reconstituted sun-dried tomatoes, and a pinch each of salt and pepper into 4 tablespoons room-temperature butter. Use this mixture in place of the lemon anchovy butter.
- Wine Recommendation: The trick here is to find a wine with enough body to go with the tuna but lots of acidity to stand up to the flavorful lemon anchovy butter. Try a sauvignon blanc from New Zealand or from California.
