SIDE DISH

Ingredients

- ☐ 1 lb edamame fresh shelled (soybeans)
- ☐ 0.3 cup mint leaves fresh chopped
- ☐ 3 lb haricots verts french thin (green beans)
- ☐ 0.3 cup olive oil extra virgin extra-virgin
- ☐ 3 lb potato red boiling (preferably purple or fingerling)
- ☐ 0.3 cup shallots minced

Equipment

- ☐ bowl
- ☐ pot
- ☐ ziploc bags
- ☐ slotted spoon

Directions

- ☐ Have ready a large bowl of ice and cold water. Boil edamame or fava beans in a large pot of boiling salted water until crisp-tender, 1 to 3 minutes.
- ☐ Transfer with a slotted spoon to ice water. Shell edamame, or peel tough outer skins from fava beans.
- ☐ Bring potatoes and enough salted water to cover by 1 1/2 inches to a boil and cook at a bare simmer until almost tender, 15 to 20 minutes. (Potatoes will continue to cook a bit after being removed from water. Be careful not to overcook or potatoes will break apart when sliced.)
- ☐ Transfer with a slotted spoon to ice water to cool.
- ☐ Drain well.
- ☐ While potatoes are cooking, trim haricots verts and halve diagonally crosswise. Cook in 2 batches in a large pot of boiling salted water until just tender, 3 to 4 minutes (regular green beans will take longer to cook).
- ☐ Transfer to ice water to cool.
- ☐ Drain well.
- ☐ Just before serving, cut potatoes into 1/3-inch-thick slices and toss all ingredients together in a large bowl with salt and pepper to taste.
- ☐ • Vegetables may be cooked 1 day ahead and chilled separately in sealable plastic bags. Do not slice potatoes until just before serving.
