## Ingredients

- 1.7 cups chickpeas canned drained (13oz/400g) (reserve the liquid)
- 0.5 cauliflower dried washed
- 1 pinch cinnamon
- 1 tsp cumin
- 2 tbsp olive oil extra virgin
- 2 tsp ground turmeric
- 0.3 juice of lemon
- 1 pinch nutmeg freshly grated

- 1 scallion chopped (spring onion)
- 1 pinch sea salt
- 4 slices sourdough bread
- 2 tbsp tahini
- 1 sprig thyme leaves

## Equipment

- food processor
- bowl
- oven
- immersion blender

## Directions

- Start by making the curried cauliflower. Preheat the oven to 425°F (220°C/gas mark 7). In a bowl, toss the cauliflower with the spices, thyme leaves and olive oil, mixing well.
- Transfer to an ovenproof dish and roast in the oven for 10–15 minutes, until lightly brown on top.
- Remove from the oven and set aside to cool.
- Place all the hummus ingredients into a food processor or use a handheld blender to process until smooth. If necessary, use a little of the reserved chickpea liquid to thin the mixture to a smooth purée. Refrigerate for at least 30 minutes.
- To serve, spread the hummus on the bread and top with the curried cauliflower.
- Sprinkle the scallion (spring onion) on top and drizzle with the olive oil.
