Ingredients

- ☐ 1 cup plus dark
- ☐ 1 tablespoon rum dark
- ☐ 0.5 teaspoon kosher salt
- ☐ 1 cup brown sugar light well (you may use granulated as , or a mix of both)
- ☐ 1.5 cup pecan halves
- ☐ 2 tablespoon butter unsalted melted ()
- ☐ 1 teaspoon vanilla extract

Equipment

- ☐ bowl
- ☐ frying pan
- ☐ oven
- ☐ wire rack
- ☐ baking pan
- ☐ aluminum foil
- ☐ rolling pin
- ☐ pie form

Directions

- ☐ Prepare pie crust recipe (see notes). Divide dough in half, shape into 2 discs about 5-inches in diameter and 3/4-inch thick. Wrap in plastic. Refrigerate at least 1 hour (or up to 2 days), or freeze up to 1 month. On a lightly floured surface use a lightly floured rolling pin to roll out one disc of chilled dough to a 12-inch round, a generous 1/8-inch thick. Carefully fold dough in half, and slide it onto the rolling pin.
- ☐ Transfer to a 9-inch pie pan. Unfold the dough, easing it gently into the pie pan; do not stretch the dough. Fold the overhang inder creating a double thick rim. Crimp the edge decoratively with your fingers and use a fork to prick the bottom of the dough in several spots. Refrigerate for 30 minutes. Save second disc of dough for another purpose.
- ☐ Place oven rack in middle and bottom positions. Preheat oven to 400 degrees F. Cover prepared pie shell with parchment, leaving a bit of overhang, and add enough pie weights or dried beans to cover bottom.
- ☐ Bake on center rack for 15 minutes.
- ☐ Remove parchment and weights, and bake and center rack until barely golden, about 5 more minutes.
- ☐ Transfer to a wire rack to cool. Reduce oven temperature to 350 degrees F. In a small bowl, combine pecans with 1 tablespoon butter and salt.
- ☐ Spread on a baking pan and toast until fragrant, 8 to 10 minutes. Set aside to cool. Meanwhile, in a medium bowl, combine sugar, corn syrup, rum, vanilla, and remaining butter. Stir in eggs.
- ☐ Add toasted pecans.
- ☐ Pour filling into cooled crust. Cover lightly with foil.
- ☐ Bake on the bottom rack for 20 minutes.

- ☐
- Remove foil then continue to bake until the center of the pie feels gelatin-like when pressed with the back of a spoon, about 30 more minutes.
