DESSERT

Ingredients

- 0.3 cup almonds sliced
- 1 cup apple sauce
- 1 tablespoon double-acting baking powder
- 2 teaspoons baking soda
- 1 tablespoon cinnamon
- 0.5 cup golden raisins dark
- 0.5 teaspoon ground cloves
- 0.5 teaspoon ground ginger

- 1 cup maple syrup dark pure
- 0.5 cup safflower oil
- 2.5 cups rice flour whole wheat
- 2 teaspoons vanilla extract

Equipment

- oven
- knife
- mixing bowl
- loaf pan

Directions

- Preheat the oven to 325° F.
- Combine the first 6 (dry) ingredients in a mixing bowl. Make a well in the center of the dry ingredients and pour in the wet ingredients. Stir together until the wet and dry ingredients are thoroughly combined, then stir in the raisins.
- Cut two pieces of baking parchment to fit the bottoms of two loaf pans. Lightly oil the sides. Divide the batter between the two lightly oiled loaf pans.
- Sprinkle the almonds evenly over the tops of the loaves.
- Bake for 40 to 50 minutes, or until a knife inserted in the center of a loaf tests clean. Take care not to overbake.
- Allow the cakes to cool completely. Use a knife to go around the sides of the loaves to loosen, if needed, and carefully remove the loaves from the pans by tipping them into your hand, then set on a platter.
- Cut each loaf into 12 slices to serve.
