Directions

- Heat the oil in a medium pan with a lid, add the onion and fry for 5 minutes until softened. Tip in the sausage and sizzle for a few minutes until its browned and a bit crispy round the edges.
- Now add the rice and give everything a good stir. Boil the kettle and pour a mug of boiling water into the pan. Crumble in your stock cube and stir to dissolve completely.
- Turn the heat down until the liquid is gently bubbling, put a lid on the pan and cook for 15 minutes, stirring occasionally.
- Stir in the peas, put the lid back on and cook for a further 5 minutes. Beat the egg with a little salt and pepper. Turn the heat up under the rice pan, drop in the egg and stir quickly until the egg has just set. Pile the steaming rice into a bowl and tuck in.
