APPETIZER

Ingredients

- 1 teaspoon almond extract
- 0.3 cup almonds sliced
- 1.7 cups blanched slivered almonds
- 2 large egg whites
- 25 servings powdered sugar
- 0.5 cup raspberry jam
- 1.3 cups sugar
- 2 tablespoons water

Equipment

- baking sheet
- sauce pan
- baking paper
- oven

Directions

- Preheat oven to 375°F. Line 2 large baking sheets with parchment paper. Finely grind 1 2/3 cups slivered almonds and 1 1/3 cups sugar in processor.
- Add egg whites and almond extract; process until well blended (dough will be sticky).
- Using slightly rounded teaspoonful for each cookie, roll dough between damp palms of hands into balls.
- Place on prepared baking sheets, spacing 1 inch apart. Flatten each ball slightly to 1 1/4-inch-diameter round. Gently press a few sliced almonds into each cookie.
- Bake cookies until light golden, about 18 minutes. Slide parchment with cookies onto racks; cool completely.
- Stir preserves and 2 tablespoons water in heavy small saucepan over medium-high heat until mixture boils. Reduce heat and simmer until mixture thickens slightly, about 4 minutes.
- Spoon 1/2 teaspoon raspberry preserves onto flat side of 1 cookie. Top with second cookie, flat side down. Press to adhere. Repeat with remaining cookies and preserves. (Can be prepared ahead. Store in airtight container at room temperature up to 1 week or freeze up to 1 month. Cookies may soften slightly.) Sift powdered sugar over cookies.
