Directions

Beat butter or margarine at medium speed with an electric mixer until creamy; gradually add sugar, beating well.

Add eggs, 1 at a time, beating until blended after each addition.

Combine flour, baking powder, and salt; add to butter mixture alternately with milk, beginning and ending with flour mixture. Stir in vanilla. Spoon into lightly greased miniature muffin pans, filling three-fourths full.

Bake at 350 for 12 minutes or until golden.

Remove from pans; cool on wire racks.

Insert a small fork into bottom of a cake, and dip in Faux Fondant, making sure to cover top and sides.

Place upright on a wire rack until set. Repeat procedure with remaining cakes and fondant.

Spoon Buttercream Frosting into a heavy-duty zip-top plastic bag; seal. Snip a tiny hole in 1 corner of bag. Pipe a dollop of frosting onto each cake, and decorate with Candied Flowers and Raspberries.
