SPREAD

Ingredients

- 3 medium eggplant
- 1.5 cups feta cheese crumbled
- 4 cloves garlic minced
- 0.3 cup olive oil
- 1 pinch salt and pepper to taste
- 0.5 cup walnuts finely

Equipment

- food processor

- bowl
- oven
- knife

Directions

- Preheat the oven to 400 degrees F (200 degrees C).
- Brush eggplants lightly with olive oil, pierce the eggplant skin with a knife, and place them in the oven. Roast until the skins are brown and the eggplant is soft, about 30 minutes.
- Remove from the oven, cool slightly, peel, and cut into chunks. Set aside in a bowl to drain off some of the liquid.
- Place the eggplant chunks into the container of a food processor, along with the garlic, feta cheese, walnuts, and olive oil. If it doesn't all fit, do this in batches then stir together. Process until well blended with just a few small chunks. The consistency should be thick.
- Transfer to a bowl, and season with salt and pepper.
- Serve as a side dish or appetizer.
