DINNER

Ingredients

- 0.5 teaspoon pepper black
- 3 pound chicken cut into 8 serving pieces
- 1 cup flour all-purpose
- 1.5 cups cream light
- 0.5 cup milk
- 2 teaspoons salt
- 2 cups vegetable oil
- 1 cup water

Equipment

- bowl
- frying pan
- whisk
- kitchen thermometer
- aluminum foil
- ziploc bags
- tongs

Directions

- Put 1 cup flour with salt and pepper in a large (1-gallon) sealable plastic bag, then seal bag and shake to combine.
- Turn chicken pieces in milk in a bowl, then add chicken to flour mixture and seal bag (discard milk). Shake to coat and let stand in bag while oil heats.
- Heat oil in skillet over moderately high heat until it registers 360°F on thermometer (see cooks' note, below).
- Add chicken, skin sides down, and cook, covered, until golden, about 5 minutes. Turn chicken over with tongs and cook, covered, 5 minutes more.
- Transfer chicken with tongs to a plate.
- Pour fat from skillet into a heatproof bowl (to cool before discarding) and add 1/2 cup water to skillet. Return chicken to skillet, skin sides up, and cook, covered, over moderate heat, turning over twice, until chicken is cooked through, about 15 minutes.
- Transfer chicken to a platter and cover loosely with foil to keep warm.
- Pour off and discard all but 1 tablespoon fat from skillet, then stir 1 tablespoon flour into remaining fat and cook over moderate heat, whisking, 2 minutes.
- Add 1/2 cup water and cook, scraping up brown bits, 2 minutes.
- Add half-and-half, whisking, and bring to a boil. Reduce heat and simmer, whisking occasionally, until sauce is thick and creamy, about 4 minutes. Season with salt and pepper and spoon over chicken.
