Equipment

- bowl
- oven
- plastic wrap
- toothpicks
- kitchen scissors

Directions

- Heat oven to 350°F (325°F for dark or nonstick pans). Grease or spray bottoms and sides of one 10-oz custard cup and two 8-inch round cake pans.
- Make cake batter as directed on box.
- Pour 2/3 cup batter into custard cup; divide remaining cake batter evenly between cake pans.
- Bake 23 to 28 minutes (26 to 33 minutes for dark or nonstick pans) or until toothpick inserted in centers comes out clean. Cool 10 minutes.
- Remove cakes from custard cup and pans; place rounded sides up on cooling racks. Cool completely, about 1 hour.
- Trim off rounded tops from 8-inch cakes. On serving plate, place 1 round cake layer, cut side down.
- Spread with 1/3 cup frosting. Top with second round cake layer, cut side down. Trim off rounded top of custard-cup cake to make flat surface. With small amount of frosting, attach custard-cup cake, flat side down, to top of layer cake, lining up rounded edge with layer cake edge. Using doll as a guide, cut and remove rounded piece from custard-cup cake to make seat for doll. (Discard cut-out piece.)
- Into small bowl, spoon 3/4 cup frosting. Tint with blue food color to make light blue; set aside. Frost sides and top of cake with remaining white frosting. To add waves, frost lower side of cake with blue frosting. Dip a fork in a few drops additional blue food color; swirl in blue frosting on cake to add wave effect.
- Sprinkle top of cake with colored sugars.

- Tie hair of fashion doll in ponytail. (Keep swimsuit or clothes on doll.) Wrap body of doll with plastic wrap, covering bustline and leaving arms free and shoulders uncovered. With 2 fruit snack rolls, wrap plastic-wrapped portion of doll, overlapping rolls and pressing to stick together. Wrap third snack roll around legs and extend 2 inches beyond feet; press together to form a fin shape, trimming if necessary.
- Place doll in seat on cake.
- To make starfish, on surface sprinkled with granulated sugar, flatten each gumdrop to make 1 1/2-inch round. Using scissors, cut 5 wedges from each gumdrop round to form a star. Pull gently to extend points of stars. Decorate cake and serving plate with starfish and sea creature candies. Store loosely covered.
