Ingredients

- 2 avocados
- 0.3 teaspoon pepper black
- 4 carrots halved
- 7 pounds chickens whole
- 0.5 cup cilantro leaves fresh
- 1 tablespoon kosher salt
- 3 limes halved
- 1.5 cups rice long-grain white

- 1 large onion yellow halved

Equipment

- bowl
- paper towels
- sauce pan
- ladle
- pot
- microwave

Directions

- Rinse the chickens and pat dry with paper towels.
- Place the chickens, carrots, onion, and salt in a 12-quart pot.
- Add enough cold water (about 16 cups) to cover. Bring to a boil. Reduce heat and simmer gently, uncovered, for 1 hour. Skim off any foam that appears.
- Transfer the chickens to plates; let cool.
- Remove and discard the carrots and onion.
- Add the rice to the broth and simmer for 20 minutes. Meanwhile, shred the chicken meat, discarding the skin and bones.
- Add the meat and pepper to the broth and heat for 3 minutes. Scoop the avocados into individual bowls and ladle the soup over the top.
- Sprinkle with the cilantro and squeeze on the limes. Recommended: 12-quart pot To Freeze: Omit the avocados, cilantro, and limes.
- Let the soup cool, then ladle into large resealable bags, filling each one halfway. Store for up to 3 months. To Reheat: Thaw overnight in the refrigerator or thaw partially in the microwave. Warm in a covered saucepan over medium-low heat for 20 minutes. Scoop the avocado into bowls, ladle in the soup, and garnish with the cilantro.
- Serve with the lime wedges on the side.
