Ingredients

- 1 teaspoon baking soda
- 0.5 cup buttermilk mixed with lemon juice
- 2 large eggs
- 8 ounces flour all-purpose
- 1 teaspoon ginger
- 0.5 cup granulated sugar
- 0.5 cup full molasses flavored
- 0.5 teaspoon nutmeg freshly ground

- 0.3 teaspoon salt salted plus a pinch (omit if using butter)
- 4 ounces butter unsalted softened
- 0.5 teaspoon vanilla extract
- 0.5 tablespoon water hot

Equipment

- oven
- mixing bowl
- toothpicks
- spatula
- muffin liners
- measuring cup
- mini muffin tray

Directions

- Preheat the oven to 375 degrees F. Spray a 36 hole mini muffin pan with cooking spray. Most pans have 24 holes, so you can bake 24 first and then bake 12 later or spray two pans.
- Mix the flour, ginger and nutmeg together and set aside. In a mixing bowl, beat the butter, salt and sugar until creamy. Beat in the vanilla, then beat in the eggs. In a liquid measuring cup, mix the molasses, water and buttermilk. Now add the baking soda and stir well – the liquid mixture should foam a little bit and lighten as the baking soda reacts. It might take a minute or two. With a heavy duty spatula or mixing spoon, add the flour mixture and milk mixture to the batter alternately, stirring until blended.
- Pour or spoon batter into muffin cups (it should come a little over halfway full) and bake at 375 F for 8 to 10 minute or until muffins are set and a toothpick inserted comes out clean.
