### Ingredients

- 4 carrots shredded
- 1 cup celery chopped
- 16 ounces elbow macaroni uncooked
- 0.5 bell pepper green seeded chopped
- 2 cups mayonnaise
- 0.5 bell pepper red seeded chopped
- 1 large onion red chopped
- 16 servings salt and pepper to taste

- 14 ounce condensed milk sweetened canned
- 0.5 cup sugar white
- 0.5 cup vinegar white

## Equipment

- bowl
- pot

## Directions

- Bring a large pot of lightly salted water to a boil.
- Add macaroni, and cook until tender, about 8 minutes. Rinse under cold water, and drain.
- In a large bowl, stir together the carrots, red onion, green pepper, red pepper and celery.
- Mix in the mayonnaise, condensed milk, sugar, vinegar, salt and pepper.
- Add the macaroni, toss gently, cover and refrigerate for at least 8 hours. I usually make this a day ahead of time, and stir it occasionally to blend the flavors. The macaroni will absorb some of the liquid.
