- ☐ 1 teaspoon salt
- ☐ 32 servings tomato sauce
- ☐ 0.5 teaspoon turmeric
- ☐ 0.5 cup butter unsalted melted
- ☐ 0.5 cup water

Equipment

- ☐ bowl
- ☐ frying pan
- ☐ baking sheet
- ☐ sauce pan
- ☐ oven
- ☐ sieve
- ☐ plastic wrap
- ☐ baking pan
- ☐ kitchen towels
- ☐ tongs
- ☐ cutting board

Directions

- ☐ Cook onion in oil along with salt, cumin, ginger, turmeric, pepper, and coriander in a 3-quart heavy saucepan over moderate heat, stirring, until softened, about 5 minutes.
- ☐ Add chicken, broth, water, and cinnamon stick and simmer, covered, turning chicken over once, until meat is very tender, about 45 minutes total.
- ☐ Transfer chicken with tongs to a bowl, reserving cooking liquid.

- ☐ When cool enough to handle, shred chicken, discarding skin and bones, and transfer to a large bowl.
- ☐ Transfer cooking liquid to a 2-cup glass measure (do not clean saucepan) and let stand 1 minute, then skim off fat and discard cinnamon stick. Return liquid to saucepan and simmer over moderately high heat, uncovered, until reduced to about 1/4 cup (liquid will look like a glaze in bottom of pan), about 8 minutes, then stir into shredded chicken along with almonds.
- ☐ Reserve 2 tablespoons beaten egg in a cup for egg wash. Lightly season remaining egg with salt and pepper, then cook in 1/2 tablespoon butter in an 8- to 10-inch nonstick skillet over moderately high heat, stirring, until just set but still slightly soft. Stir scrambled egg into filling.
- ☐ Put oven racks in upper and lower thirds of oven and preheat oven to 450F.
- ☐ Put 1 phyllo sheet on a work surface, keeping remaining phyllo covered with overlapping sheets of plastic wrap and a damp kitchen towel, and brush generously with some melted butter. Evenly sift 1/4 teaspoon cinnamon over buttered phyllo using a fine-mesh sieve, then top with another phyllo sheet and generously brush with butter.
- ☐ Halve buttered phyllo stack crosswise, then arrange 1 half with a long side nearest you.
- ☐ Spread 1/4 cup chicken filling in a narrow strip along edge nearest you, then roll up filling tightly in phyllo, leaving ends open.
- ☐ Transfer roll, seam side down, to a cutting board set inside a baking pan (to help contain mustard seeds when sprinkling). Make another roll with remaining half stack. Make 6 more rolls in same manner, transferring to cutting board.
- ☐ Lightly brush top of rolls with egg wash and immediately sprinkle with mustard seeds, pressing lightly on seeds to help adhere.
- ☐ Cut each roll crosswise into 4 pieces and arrange pieces 1 inch apart on 2 baking sheets.
- ☐ Bake, switching position of sheets halfway through baking, until phyllo is golden brown, about 12 minutes total.
- ☐ Transfer rolls to a rack to cool slightly.
- ☐ Rolls can be assembled (but not coated or cut) 1 day ahead and chilled, covered.
- ☐ Rolls can be assembled and cut (but not coated or baked) 2 weeks ahead and frozen, wrapped well in plastic wrap. Coat frozen rolls, then bake (do not thaw) in a preheated 350F oven about 20 minutes.
