Ingredients

- ☐ 1 cup chocolate chips mini
- ☐ 0.7 cup confectioners' sugar
- ☐ 2.3 cups flour all-purpose
- ☐ 0.5 cup nutella
- ☐ 2 sticks butter unsalted room temperature
- ☐ 0.5 tsp vanilla extract

Equipment

- ☐ baking sheet

- ☐ baking paper
- ☐ oven
- ☐ stand mixer

Directions

- ☐ In a stand mixer, beat butter and confectioners' sugar together on medium speed, until the mixture is very smooth. Beat in vanilla, and Nutella. Reduce mixer speed to low and add in flour, mixing until dough comes together.
- ☐ Mix in the chocolate chips.
- ☐ Gather dough and place in between two sheets of parchment paper.
- ☐ Roll the dough into a rectangle shape that's 1/4 inch thick.
- ☐ Refrigerate the dough for at least 2 hours (I transferred the parchment paper and dough onto a cookie sheet for support and stuck it in the fridge so that the dough would not break/bend).
- ☐ After dough is firm, preheat the oven to 325°F.
- ☐ Cut the dough into 1 1/2-inch x 1 inch rectangles.
- ☐ Bake for 18 to 20 minutes, until the cookies turn brown at the edges.
- ☐ Let cookies cool before serving. Store in airtight container.
