SIDE DISH

Ingredients

- 4 chicken breast halves boneless with skin (2 1/4 pounds total)
- 2 tablespoons parsley fresh chopped
- 1 cup oil-cured olives green pitted chopped
- 2 tablespoons butter unsalted
- 0.3 cup almonds whole with skins

Equipment

- frying pan
- slotted spoon

- tongs
- cutting board

Directions

- Pat chicken breasts dry, then cut a 2-inch-long horizontal slit in thickest part of each. Stuff each chicken breast with 1 1/2 teaspoons olives, then season with salt and pepper.
- Heat 1 tablespoon butter in a 12-inch nonstick skillet over moderate heat until foam subsides, then toast almonds, stirring often, until a few shades darker, 5 to 8 minutes.
- Transfer with a slotted spoon to a cutting board to cool (do not clean skillet).
- Increase heat to moderately high, then add chicken breasts, skin sides down, to butter remaining in skillet and sprinkle with remaining olives. Sauté chicken breasts until skins are golden brown, 8 to 10 minutes. Turn chicken breasts over and cook, covered, over moderate heat until just cooked through, 5 to 7 minutes more, then transfer with tongs to plates.
- While chicken is cooking, chop almonds.
- Add remaining tablespoon butter and 3 tablespoons water to skillet and heat, stirring, until butter is melted. Stir in almonds, parsley, and pepper to taste. Spoon sauce over chicken.
