### Ingredients

- 9 tablespoons butter
- 4 servings optional: dill
- 1.8 pounds fingerling potatoes
- 4 sushi-grade yellowtail flounder whole
- 0.3 cup parsley fresh minced
- 1 optional: lemon sliced
- 1 cup rye flour all-purpose
- 4 servings salt and pepper

## Equipment

- frying pan
- pot

## Directions

- Boil the potatoes in a large pot of salted water until tender, then drain. Once they are cool enough to handle, peel them.
- Rinse the fish in cold water, then coat each one in the flour, patting off the excess. Melt 5 tablespoons of the butter in a skillet and pan-fry the fish for 5 minutes on each side, or until crisp and golden. Keep the cooked fish warm while you cook the remainder.
- Melt the remaining butter in a casserole.
- Add the peeled potatoes and let them sauté a little before adding the parsley. Season with salt and pepper.
- Serve immediately with the potatoes, sliced lemon, and dill sprigs.
