APPETIZER

Ingredients

- 1 ounce gelatin powder unflavored
- 1 teaspoon juice of lemon fresh
- 0.8 cup passion fruit rum unsweetened thawed (maracuyá)
- 2 cups sugar for tossing
- 1 cup water

Equipment

- bowl
- frying pan

- sauce pan
- knife
- baking pan
- cutting board
- pastry brush

Directions

- Lightly oil baking pan.
- Sprinkle gelatin over water in a 2-quart heavy saucepan and let stand 4 minutes to soften.
- Heat gelatin over medium-low heat, stirring, until dissolved. Stir in 2 cups sugar until dissolved, then stir in lemon juice.
- Bring to a boil over medium-high heat, washing any sugar crystals down side of pan with a pastry brush dipped in cold water. Reduce heat to medium-low and boil, uncovered, without stirring, 13 minutes (watch carefully so that mixture does not boil over).
- Remove from heat and let stand 5 minutes for bubbles to dissipate. (Skim any foam that remains after 5 minutes.) Stir in passion-fruit purée (do not scrape bottom of pan; leave any dark bits that stick).
- Pour into baking pan and let stand at room temperature until set, at least 12 hours.
- Run a sharp knife around edge of gelatin and invert onto a cutting board.
- Cut into 1/2-inch-wide strips, then cut strips into 1-inch pieces. Just before serving, gently toss gelées in a bowl of sugar to coat, brushing off excess.
- Gelées, without sugar coating, keep in an airtight container at cool room temperature 2 weeks.
