## Ingredients

- 2 cloves garlic minced
- 0.3 cup olive oil extra virgin
- 1 pound tomatoes fresh ripe chopped ( 2 medium tomatoes)
- 6 ounces round of président brie cut into small chunks
- 1 juice of lemon
- 1 handful basil sliced thin
- 5 ounces baby spinach dry rinsed
- 0.5 pound soup noodles
- 0.5 cup parmesan grated

4 servings salt and pepper

## Equipment

- bowl
- pot
- microwave

## Directions

- Heat a large pot of salted water for making the pasta (1 tablespoon of salt for every 2 quarts of water). While the water is heating, prep the ingredients. Once water is boiling, add the pasta and cook until al dente (cooked through, but still a little firm to the bite).
- Heat brie with tomatoes, garlic, olive oil, lemon, in microwave: While the pasta is cooking, place the garlic, olive oil, chopped tomatoes, chunks of brie (make sure to cut away the white rind!), lemon zest, and lemon juice into a large, microwave safe bowl.
- Microwave for 2–3 minutes, or until the brie is melty and soft. (If you don't have a microwave, place the ingredients in a bowl and let sit for an hour or two, so the brie softens.)
- Toss cooked pasta with tomatoes and brie, add spinach and basil: Once the pasta is done, drain it and place it in the bowl with the cheese and tomatoes.
- Add the basil and baby spinach.
- Toss together so that the spinach, basil, cheese, and tomatoes are well dispersed through the pasta. Break up or smash any large pieces of cheese.
- Sprinkle with grated Parmesan cheese and freshly ground black pepper, and toss more to incorporate.
- Add more salt to taste.
