### Ingredients

- 3 large eggs
- 0.3 cup flour all-purpose
- 1 cup peas fresh frozen shelled thawed (from 1 pound pods)
- 1 teaspoon kosher salt plus more
- 1 cup cottage cheese low-fat
- 0.3 cup butter salted melted ()
- 4 spring onion plus more for serving thinly sliced
- 2 tablespoons vegetable oil plus more for skillet

## Equipment

- frying pan
- blender

## Directions

- If using fresh peas, cook in a small saucepan of boiling salted water until tender, about 3 minutes (if using frozen peas, do not cook).
- Drain.
- Purée eggs, cottage cheese, flour, 2 tablespoons oil, and 1 teaspoon salt in a blender until smooth.
- Transfer batter to a medium bowl and stir in peas and 4 scallions. (Batter should be thick but pourable; stir in water by tablespoonfuls if too thick).
- Heat a lightly oiled large nonstick skillet over medium heat. Working in batches, add batter to skillet by 1/4-cupfuls, spreading out to 3"-4" rounds with a spoon. Cook pancakes until bubbles form on top, about 3 minutes. Flip and cook until pancakes are browned on bottom and the centers are just cooked through, about 2 minutes longer.
- Serve pancakes drizzled with butter and topped with scallions.
