Directions

- Mix both flours, sugar and salt in processor.
- Add butter and shortening. Using on/off turns, process until butter and shortening form pea-size pieces.
- Mix in enough ice water to form moist clumps. Gather dough into ball; flatten into disk. Wrap in plastic and refrigerate until firm, about 1 hour. (Can be prepared 3 days ahead. Keep refrigerated.)
- Position rack in center of oven and preheat oven to 400°F.
- Combine first 6 ingredients in large bowl. Toss to blend.
- Let stand until juices form, about 15 minutes.
- Roll out dough on lightly floured work surface to 1 1/2-inch round.
- Transfer dough to unrimmed baking sheet. Mound filling atop dough, leaving 2-inch border. Fold dough border over filling to form 7-inch round, pleating loosely and pinching to seal any cracks in dough.

- Brush crust and fruit with egg, then sprinkle with 1 tablespoon sugar.
- Bake crostata until crust is golden and juices bubble thickly, about 40 minutes.
- Transfer baking sheet to rack; cool 10 minutes. Slide metal spatula under crust to free from baking sheet. Cool crostata to lukewarm. Using large tart pan bottom as aid, transfer crostata to platter.
- Whip cream, honey and five-spice powder in medium bowl until stiff.
- Serve crostata lukewarm or at room temperature with whipped cream.
- *A blend of ground anise, cinnamon, star anise, cloves and ginger, available in the spice section of most supermarkets.
