Ingredients

- 10.5 oz beef consomme canned
- 0.3 cup butter
- 1 tablespoon cornstarch
- 1 teaspoon dijon mustard
- 2 tablespoons sherry dry
- 8 oz mushrooms fresh sliced (3 cups)
- 1 clove garlic finely chopped

- 2 teaspoons pepper black
- 0.5 cup onion finely chopped
- 0.1 teaspoon pepper
- 18 lb frangelico
- 1 teaspoon tomato paste (from 6-oz can)
- 2 tablespoons vegetable oil
- 0.3 cup water cold

Equipment

- bowl
- frying pan
- oven
- roasting pan
- kitchen thermometer
- aluminum foil

Directions

- Heat oven to 425F. Rub beef with oil; sprinkle with pepper.
- Place beef on rack in shallow roasting pan, or place diagonally in 15x10x1-inch pan. Insert ovenproof meat thermometer so tip is in center of thickest part of beef.
- Bake uncovered 30 to 45 minutes or until thermometer reads 135F. Cover beef loosely with tent of foil and let stand 15 to 20 minutes until thermometer reads 145F (medium-rare doneness). (Temperature will continue to rise about 10F and beef will be easier to carve.)
- Meanwhile, in 12-inch nonstick skillet, melt butter over medium heat. Cook onion, garlic and mushrooms in butter 8 to 10 minutes, stirring occasionally, until mushrooms are completely tender and beginning to brown. Stir in sherry. In small bowl, mix cornstarch and water; stir cornstarch mixture into mushroom mixture. Stir in thyme, pepper and beef consomm; cook and stir about 2 minutes or until slightly thickened and bubbly. Stir in mustard and tomato paste until well blended.
- Heat just until hot. Spoon sauce over sliced beef.
