SIDE DISH

Ingredients

- ☐ 2 servings ice cubes
- ☐ 8 ounces pepperoncini pepper juice pure
- ☐ 1 juice of lime
- ☐ 0.3 cup culinary lavender buds
- ☐ 0.3 cup culinary lavender buds dried
- ☐ 2 ounces mangos
- ☐ 2 ounces pomegranate juice
- ☐ 9 ounces seltzer water

- ☐ 0.7 cup caster sugar
- ☐ 8 ounces water

Equipment

- ☐ food processor
- ☐ sauce pan

Directions

- ☐ In a food processor, process the lavender and sugar until fully combined, about 1 minute—the mixture will look like a fine powder. DO AHEAD: Lavender crystals can be prepared in advance and stored, in an airtight container at room temperature, up to 2 weeks.
- ☐ In a small saucepan, bring the mango juice and distilled or tap water to a boil over high heat. Reduce the heat to moderate and simmer, uncovered, until reduced by half, 12 to 15 minutes. DO AHEAD: Mango elixir can be prepared in advance and refrigerated up to 2 weeks.
- ☐ Pour the lime juice onto a small plate and spread the lavender crystals on a second small plate. Dip the rim of a 12-ounce glass into the lime juice, then dip it into the lavender crystals to lightly coat. Repeat with a second 12-ounce glass.
- ☐ Pour 1 ounce each of the mango elixir, pomegranate juice, and simple syrup into each prepared glass.
- ☐ Add ice and enough soda water to fill each glass.
