DESSERT

## Ingredients

- 2 teaspoons aniseed
- 1 tablespoon juice of lemon fresh
- 1 teaspoon pernod
- 4 lb pineapple cored trimmed peeled halved lengthwise (labeled "extra sweet")
- 1.7 cups sugar
- 2 cups water

## Equipment

- bowl

- frying pan
- sauce pan
- sieve
- blender
- ice cream machine

## Directions

- Bring water, sugar, and anise seeds to a boil in a 2 1/2- to 3-quart heavy saucepan, stirring until sugar is dissolved, then reduce heat and simmer, uncovered, 5 minutes.
- Remove pan from heat and stir in Pernod (if using). Cool syrup to room temperature, about 1 hour, then pour through a fine-mesh sieve into a bowl.
- While syrup cools, cut enough pineapple into 1-inch chunks to measure 5 1/4 cups (reserve remainder for another use), then purée pineapple in 3 batches in a blender at high speed until very smooth, about 1 minute per batch. Stir purée and lemon juice into cooled syrup until combined well, then chill, covered, until very cold, about 4 hours.
- Freeze in ice cream maker, then transfer to an airtight container and put in freezer to harden, at least 1 hour.
- Sherbet can be made 3 days ahead.
- Let soften slightly before serving.
