### Ingredients

- 7 ounce bittersweet chocolate 60% finely chopped (no more than cacao if marked)
- 1 tablespoon brandy
- 3 large eggs
- 0.8 cup flour all-purpose
- 1 cup heavy whipping cream
- 1 quart whipped cream
- 0.3 teaspoon salt
- 0.5 cup sugar
- 6 tablespoons butter unsalted cut into pieces

- 0.5 teaspoon vanilla extract pure
- 0.8 cup water

## Equipment

- bowl
- frying pan
- baking sheet
- sauce pan
- oven
- whisk
- plastic wrap
- baking pan
- hand mixer
- wooden spoon
- skewers
- pastry bag

## Directions

- Chill a small metal baking pan in freezer. Form 18 ice cream balls with scoop and freeze in chilled pan at least 1 hour (this will make serving faster).
- Preheat oven to 425°F with rack in middle. Butter a large baking sheet.
- Bring butter, water, and salt to a boil in a small heavy saucepan, stirring until butter is melted. Reduce heat to medium, then add flour all at once and cook, beating with a wooden spoon, until mixture pulls away from side of pan and forms a ball, about 30 seconds.
- Transfer mixture to a bowl and cool slightly, 2 to 3 minutes.
- Add eggs 1 at a time, beating well with an electric mixer after each addition.
- Transfer warm mixture to pastry bag and pipe 18 mounds (about 1 1/4 inches wide and 1 inch high) 1 inch apart on baking sheet.
- Bake until puffed and golden brown, 20 to 25 minutes total. Prick each profiterole once with a skewer, then return to oven to dry, propping oven door slightly ajar, 3 minutes. Cool on sheet

on a rack.

- Heat sugar in a 2-quart heavy saucepan over medium heat, stirring with a fork to heat sugar evenly, until it starts to melt, then stop stirring and cook, swirling pan occasionally so sugar melts evenly, until it is dark amber.
- Remove from heat, then add cream and a pinch of salt (mixture will bubble and steam). Return to heat and cook, stirring, until caramel has dissolved.
- Remove from heat and add chocolate, whisking until melted, then whisk in vanilla and Cognac (if using). Keep warm, covered.
- Halve profiteroles horizontally, then fill each with a ball of ice cream. Put 3 profiteroles on each plate and drizzle generously with warm chocolate sauce.
- Ice cream balls can be frozen up to 1 day (cover with plastic wrap after 1 hour). Profiteroles can be baked 1 day ahead and cooled completely, then kept in an airtight container at room temperature. Recrisp on a baking sheet in a 375°F oven 5 minutes. Cool before filling.
