Ingredients

- 0.5 teaspoon cornstarch
- 1 large egg yolk whole
- 2 tablespoons cup heavy whipping cream
- 2 tablespoons honey
- 0.5 teaspoon lemon zest fresh finely grated
- 0.5 lb rhubarb fresh (2)
- 0.1 teaspoon salt
- 8.8 oz whole-milk ricotta cheese

- 0.3 cup cream sour
- 3.5 tablespoons sugar

Equipment

- frying pan
- oven
- knife
- blender
- muffin liners
- muffin tray

Directions

- Put oven rack in middle position and preheat oven to 325°F. Lightly oil muffin cups.
- Blend together all pudding ingredients in a blender until smooth, then divide batter among muffin cups.
- Stir together sugar and cornstarch in a 9- to 10-inch glass or ceramic pie plate.
- Add rhubarb and toss to coat, then spread in one layer.
- Bake puddings and rhubarb, side by side, carefully turning rhubarb over once halfway through cooking, until puddings are just set and edges are pale golden, 35 to 45 minutes.
- Remove puddings and rhubarb from oven at the same time. Set rhubarb aside and cool puddings in muffin pan on a rack 5 minutes (puddings will sink slightly).
- Run a thin knife around edge of each pudding, then invert a platter over pan and invert puddings onto platter.
- Transfer puddings, right side up, to plates and serve topped with rhubarb and its juices.
