## Ingredients

- 3 large plum tomatoes coarsely chopped
- 3 shallots coarsely chopped
- 1 tablespoon tarragon fresh chopped
- 1 tablespoon basil fresh chopped
- 1 tablespoon chives fresh chopped
- 1 tablespoon juice of lemon fresh
- 1 tablespoon balsamic vinegar
- 4 servings salt

- 2 tablespoons olive oil extra virgin
- 4 fillet salmon
- 4 servings pepper black freshly ground

## Equipment

- bowl
- baking sheet
- oven
- knife
- whisk
- pot

## Directions

- Preheat oven to 400°F.
- Blanch the tomatoes, then peel, core and dice: Blanch the tomatoes by first scoring the ends with a sharp knife, and then plunging them into a pot of simmering salted water for 15–30 seconds.
- Then put them into ice water for 1 minute.
- Drain the tomatoes and peel off and discard the skin.
- Cut the tomatoes into quarters, remove the core and seeds, and dice the flesh.
- Combine tomatoes, herbs, olive oil, salt: In a large bowl combine the tomatoes, tarragon, basil, chives and olive oil.
- Add salt to taste.
- Whisk together lemon juice, vinegar, shallots: In another bowl, whisk together the lemon juice, vinegar, and shallots (the acid in the lemon juice and vinegar will help take the sharp edge off of the shallots).
- Bake the salmon fillets: Arrange salmon fillets on an oiled baking sheet without crowding.
- Drizzle with olive oil and season lightly with salt.
- Bake until salmon is barely cooked through and lightly browned on the edges, 8–12 minutes, depending on the thickness of the salmon fillets.

- Mix dressing with tomato mixture, serve with salmon: To serve, mix the shallot mixture with the tomato mixture, and spoon a couple tablespoons around each fillet.
- Sprinkle the salmon with freshly ground black pepper.
- Serve immediately.
